Preferred Distributor & Privacy Statement

Privacy Statement:

By participating in this Program, Partner authorizes VMware to share with VMware Affiliates and VMware Authorized Distributors the following data regarding Partner and Partner's employees, for the purpose of analyzing and increasing Partner's business related to VMware offerings:

Partner organization name, telephone number, physical address, and email address(es)

Individual employee names, telephone numbers, physical address, and email address

Partner's sales-related information including sales data, deal registration usage, and related quote, sales and renewals information

Partner may opt out of some or all of this data sharing. If you would like to change your preferences in the future, please access the MyPrograms page and select Account Details. To the extent that Partner does not obtain the necessary consents to authorize VMware to share the data

[Cookie Settings](#)

as described above, then Partner must opt out of the related data sharing.

VMware's Privacy Policy can be reviewed here: <http://www.vmware.com/help/privacy.html> (<http://www.vmware.com/help/privacy.html>).

Footnote: Partners may participate in this Program and still elect not to share opportunity registration information with VMware Affiliates and VMware Authorized Distributors. Such election may be made on a registration-by-registration basis at the time that an opportunity registration request is submitted.
